Charter Membership – \$540

Charter Members in good standing are guaranteed access to the pool, have voting rights that other members do not have, and are eligible to serve on the pool board. Charter Members who choose not to join the pool/continue their membership, will lose their rights as a Charter Member and may rejoin the pool in future years as an Associate Member.

Associate Membership - \$620

The Rolling Forest Pool welcomes members from outside of Charter Membership to join the pool. Associate Members are free to join the pool each year. Associate Members do not have voting rights and are not eligible to serve on the pool board. However, they are permitted to participate on committees and planning groups.

Charter Membership Rent-Out

Charter Members in good standing who do not wish to swim have the option to “rent out” their membership. The rent-out fee for 2025 remains \$100. To initiate the process please email treasurer@rfpool.com and membership@rfpool.com to request the rent-out. You will receive a confirmation email once your request and payment are received. Requests are processed on a first-come, first-served basis. Submit your payment and request early to secure your spot.
